

2025 Spring Academy

April 28 - May 2, 2025 Sacramento, CA

The Academy is proud to offer numerous great courses to support your EVT staff in their efforts to stay cutting-edge and efficient with the latest technology. Also included in the training is the California Emergency Equipment Showcase for learning about the newest products, and many events where mechanics and fire fighters can network to build resources for problem-solving and further growth.

REGISTRATION FOR ALL CERT CLASSES IS NOW OPEN!

Additional general education courses will be added to the registration list in January

~**~

EVT Certification Exam registration is also open. Please email our office, info@cafiremech.org, with your required documents to get signed up!

EVT Certification Exam Dates:

-April 25th @ 9am

-May 2nd after the completion of the spring academy

The deadline to register for all is April 7, 2025
