CALIFORNIA SPECIALIZED TRAINING INSTITUTE

Advanced ICS: Command and General Staff-Complex Incidents (ICS400)

Advanced ICS: Command and General Staff-Complex Incidents (ICS400): Enhance your Incident Command skills, with a special focus on new concepts of the Incident Command System (ICS).The training and resources provided in this course will assist personnel who require advanced application of the ICS. The course will also benefit any person who has a responsibility to function in a command post managing an expanding incident. This course builds upon information covered in the ICS-100, ICS-200, and ICS-300 courses and explains the roles and responsibilities of local, county, state and federal agencies involved in managing an expanding incident. Enhance your command decision-making skills by participating in group activities that introduce the use of an Incident Complex and Area Command, and the interactions between Multi-Agency coordination (MAC) entities.

Prerequisites:

- IS-100: An Introduction to the Incident Command System ICS-100
