Contact SHIELD prior to registering.

MATERIALS

CSTI Hazardous Materials First
Responder Operational

REQUIREMENTS

This course is a FOR CREDIT college course in partnership with Shasta College. A Shasta College student ID number is required prior to the first day of class.

This course trains first responders at the operations level to respond in a defensive manner to releases or potential releases of hazardous substance as part of an initial response. This content focuses on tactics a responder can use to protect persons, the environment, and property from the effects of a hazardous materials release.
