

DESCRIPTION

This course is designed for personnel preparing for a college level fire instructor, Company Officer or SFT Certified Training Instructor position. The course provides the skills and knowledge needed for the intermediate level professional instructor to perform his or her duties safely, effectively and competently. At the end of this course, candidates for Instructor II certification will be able to develop lesson plans and evaluation instruments, teach and deliver instruction, evaluate other instructors, analyze resources and formulate a program budget. SFT fees collected at the time of registration.

Requisite: FS 64 Instruct 1: Instructional Methodology or equivalent

Note: Participants should bring their own laptop or tablet to be used during class presentations.
